Space for new members!

Taking nominations- Self Nominated is Encouraged
Email us at- techtraining@unols.org

Current Training Efforts

What Went Wrong Wednesday Moderated Discussion

Moderated discussions where the tech community can chat about:

- NSF funded facilities, shipboard systems, etc.
- Initial anonymous survey to get questions, 1-hour presentation with subject matter expert and then a round of Q&A's

The WWWW meetings have recently been recorded and we provide notes/slides to the RVTEC listserv after the meeting.

Current Training Efforts

What Went Wrong Wednesdays (WWWW)

Topics from 2023

- Flow-Thru & Met Sensors- Katie Watkins-Brandt (NOAA) and Shawn Smith (FSU/R2R)
- Wire Ropes, Cables & Other Tension Members- Rick Trask (WHOI/Wire Pool)

Both were VERY well received in the community, 35 & 47
Participants respectively

Hoping for another WWWWedS in mid-January, keep an
eye out for more information!
