

# What a Long Strange Trip It's Been

1988 - El Paso Workshop

# Exp313 Located to Test Oligocene-Miocene SL Imprint

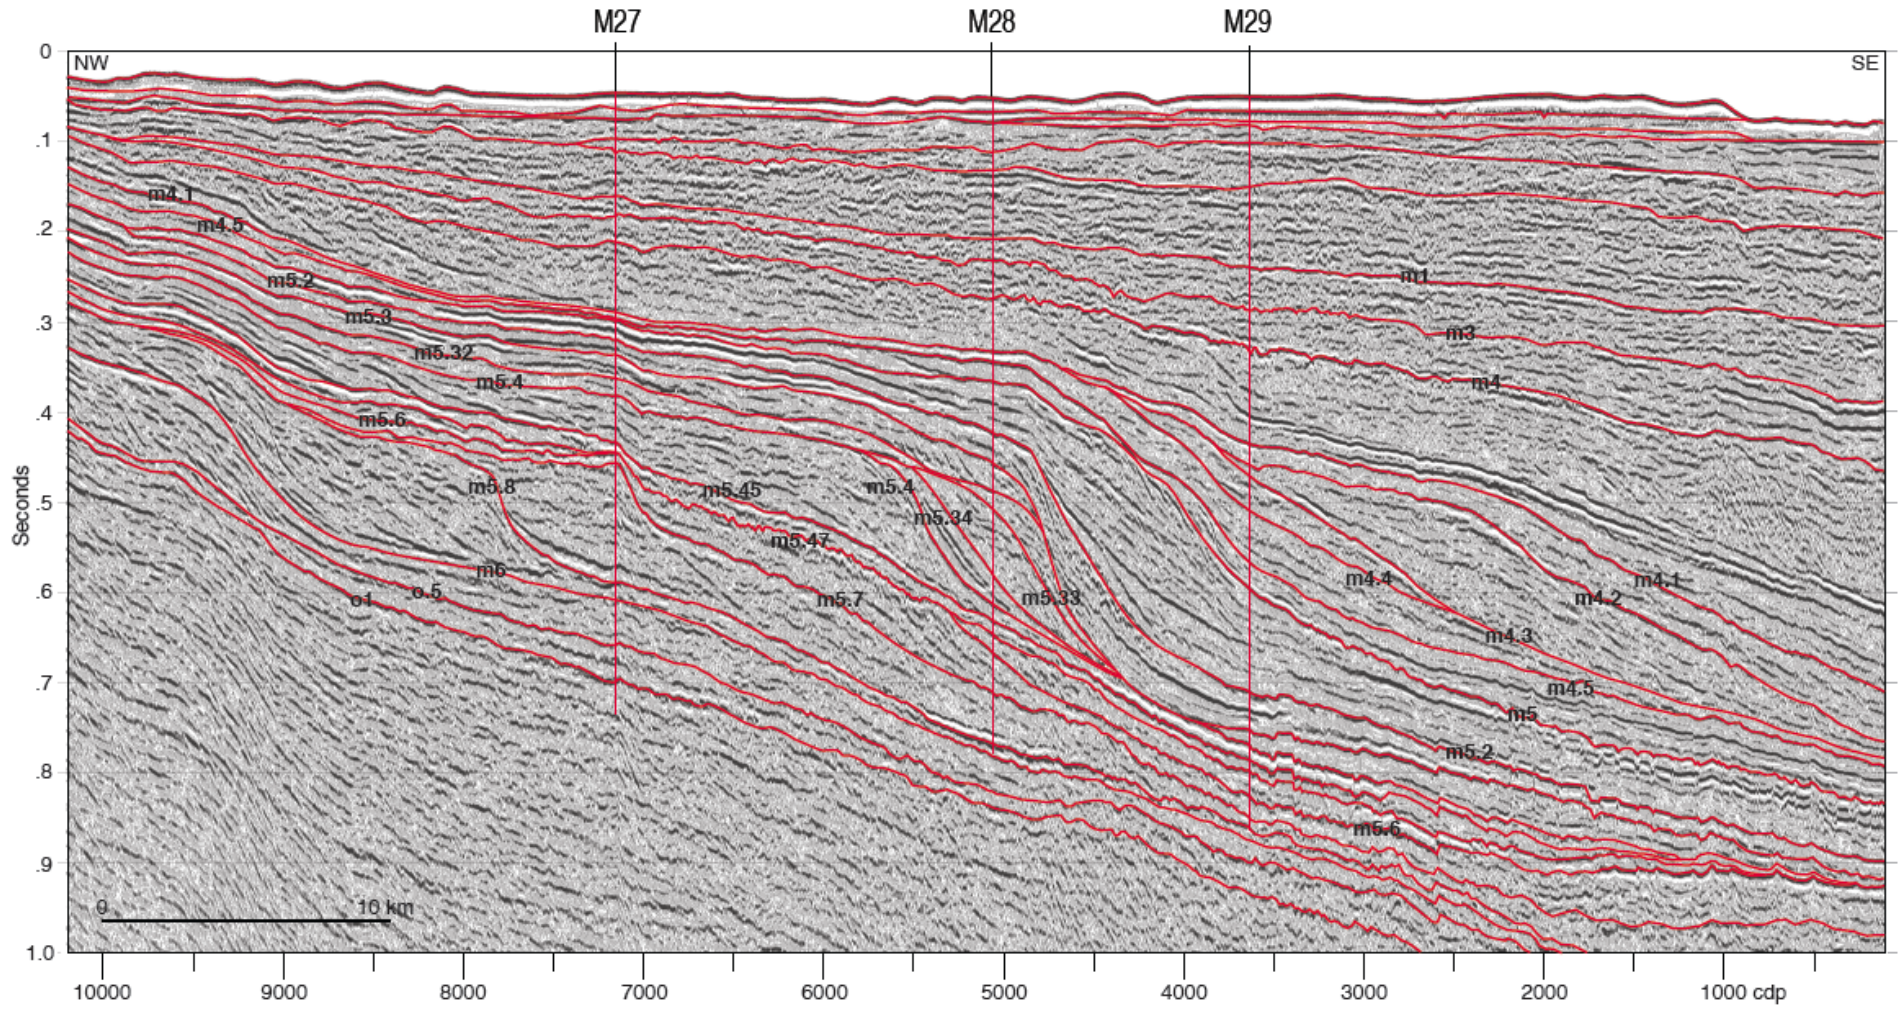

# Integrated Ocean Drilling Program

*The right tool for the right job*

But contracting a lift-boat and driller wasn't easy .....

# Expedition 313

IODP Expedition 313

submarine delta

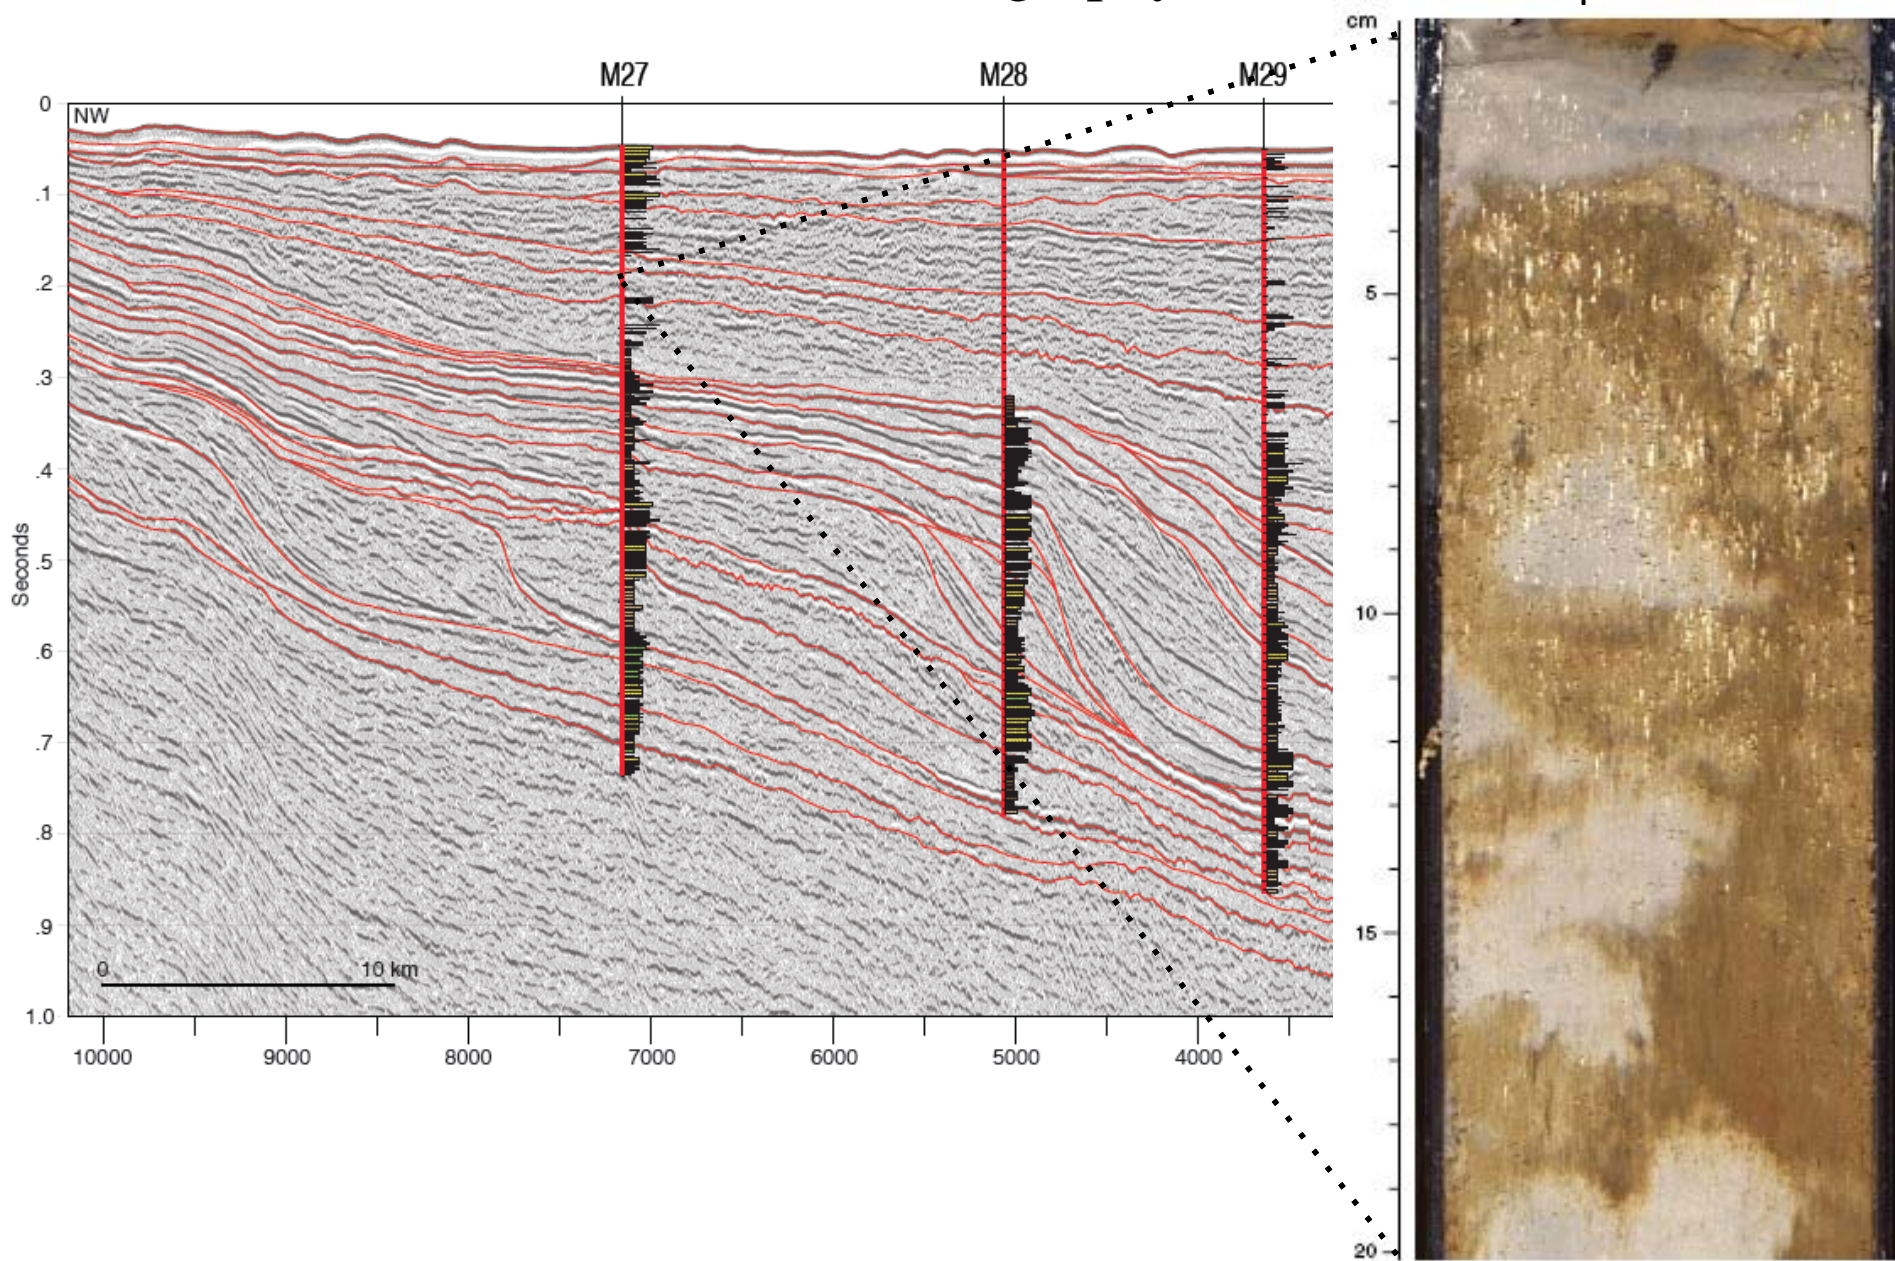

storm beds

shell bed on deep  
shelf

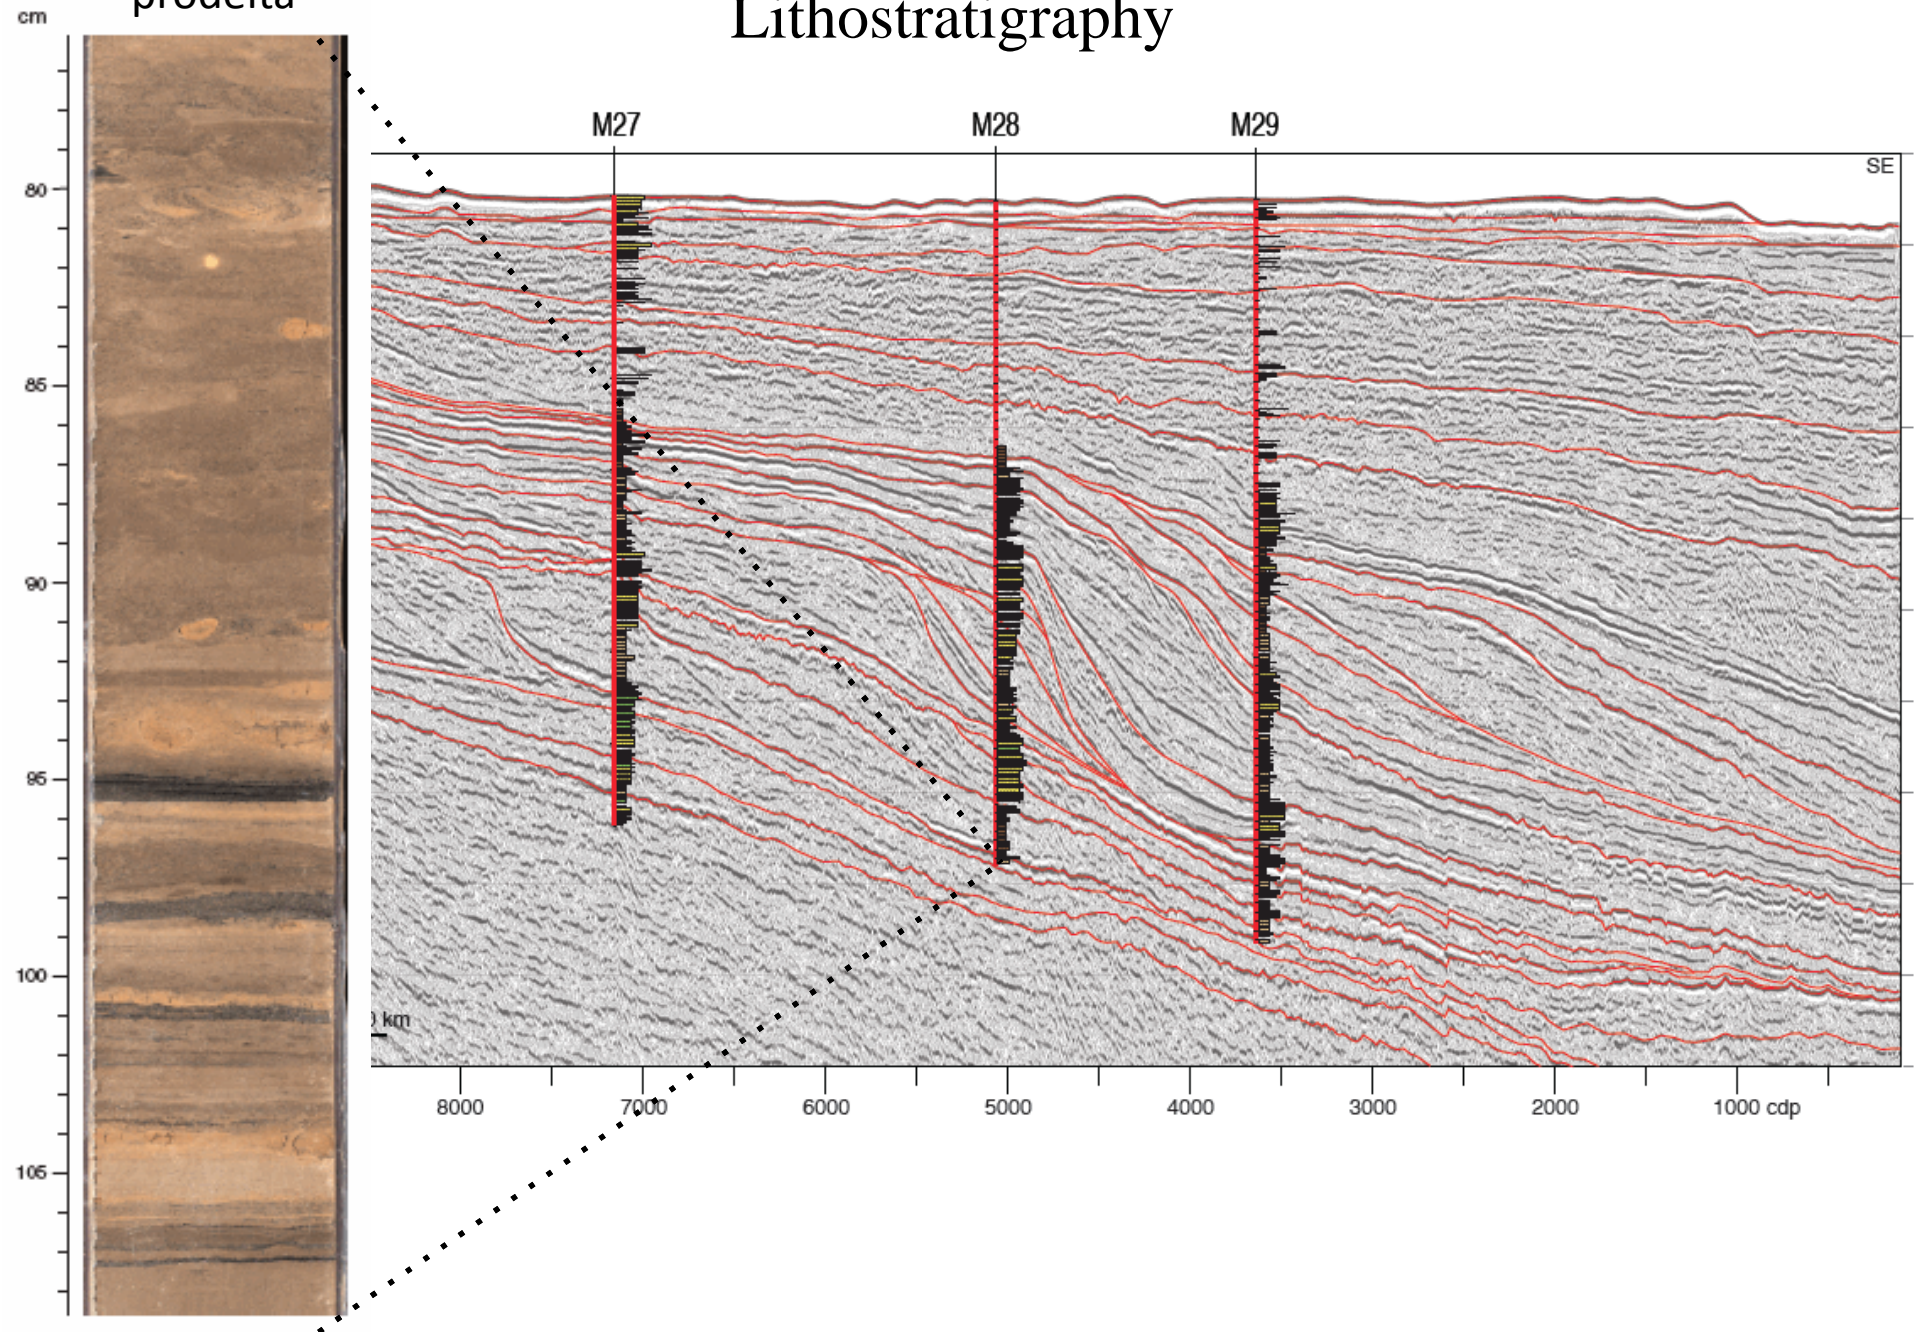

*Cores = ground-truth*  
*Seismic Profiles = regional context*
