Education

Central Washington University
Bachelor in Science, Mechanical Engineering

Ellensburg, WA
June 2007

Experience

Art Morrison Enterprises Inc.
Mechanical Engineer

Fife, WA.
2007-2009

Major Projects

Pi Makina Ankara, Turkey Summer of 2008

- Traveled overseas to meet with engineers.
- Work with numerous companies in gathering parts for prototype vehicles.
- Design a four link suspension, chassis, engine transmission placements and brackets, body mounts, suspension mounts, fuel tank placement and exhaust routing.

Indigent Armor North Carolina

- Used AutoCAD and Solid Works to design and build government vehicle chassis jig table and tooling for assembly of bomb proof vehicles.
- Assisted in building five prototype vehicles complete with suspension.
- Analyzed designs using Cosmos Finite Element Analyses on production chassis.

Toyota Landcruiser Connections Van Nuys, California

- Used AutoCAD and Solid Works to improve chassis and suspension components.
- Built three prototype versions complete with suspension.
- Designed and built jig table and tooling for production run chassis.

Day to Day Responsibilities

- Work with sales in designing and building chassis and suspension for hot rods and race cars.
- Notable clients include, Eric Clapton, Chip Fuso, Boyd Coddington and Bobby Alleyway.
- Use coordinate measuring machine (Fero Arm) to reverse engineer original chassis for future production vehicles.
- Use CMM for quality control of built parts

Thayer Excavating

Ellensburg, WA
2005-2007

Duties Included

- Machinery maintenance/mechanic
- Machinery operator

National Oceanic & Atmospheric Administration, Honolulu, Hawaii

Department of Commerce

Summer of 2005

Oscar Elton Sette R555

Duties Included:

- General ship maintenance
- Decompression chamber oxygen generator operator
- Rescue boat service and repair
- Assisting Engineers with HVAC service and repair, generator service and repair, main propulsion motor service and repair, bilge pumps service and repair.

Skills

- Software: AutoCAD, Solid Works, Excel, Word, Cosmos FEA
- Fast Learner
- Reliable
- Great Mechanical Skills : Welding and Machining Experience
- Multilingual : Russian, Bulgarian, English

U.S. Merchant Mariner's Document

TWIC (Transportation Worker Identification Credential) card

Dual Citizenship - Bulgaria and United States
