

CALL FOR NOMINATIONS

UNOLS Chair, Chair-Elect And Council Positions

UNOLS is the primary forum for planning and advice by the academic community regarding ocean science research facilities. The renewal of the Academic Research Fleet and other important issues require the leadership of the UNOLS Chair and Council.

The UNOLS Nominating Committee: Curtis Collins (Chair), Bruce Corliss, and Charles Flagg are seeking nominations to fill four Council seats, including the positions of Chair and Chair-Elect. Individuals affiliated with any UNOLS institution are eligible to fill the Chair, Chair-Elect and one of the member positions. A representative from a UNOLS ship operator-institution may fill the other member seat. Information regarding the responsibilities, term lengths and nominating procedures is available at <www.unols.org>.

Nominations can be made by anyone affiliated with a UNOLS institution and should be submitted by May 15, 2002 to <nominations@unols.org>, or by mail. Elections will be held at the UNOLS Annual Meeting on September 27, 2002.
