

## **CALL FOR NOMINATIONS**

### **UNOLS Committee Chair Positions AICC and FIC**

UNOLS is the primary forum for planning and advice by the academic community regarding ocean science research facilities. The renewal of the Academic Research Fleet, Arctic research operations and icebreaker science improvements, and integration of oceanographic aircraft into the UNOLS mix of facilities requires the leadership of the UNOLS Committees and their respective Chairs.

The Chair positions for the Fleet Improvement Committee (FIC) and the Arctic Icebreaker Coordinating Committee (AICC) will all be open in fall 2003. UNOLS is seeking nominations to fill these positions. Information regarding the Chair responsibilities and terms lengths are available at <[www.unols.org](http://www.unols.org)>.

Anyone interested in submitting a nominaton should conctect the UNOLS Office at <[office@unols.org](mailto:office@unols.org)>.
