---

## Certificates and Qualifications

- Valid USCG MMC and TWIC Card
- Valid Medical Certificate
- National AB (Special)
- STCW RFPNW
- STCW Basic Safety Training
- STCW Advanced Firefighting
- STCW PSCRB

## Work Experience

**Deckhand**    **May 2018 – Aug. 2019**    *PSS Sea Cloud*    **110m**

### Highlights:

- Frequently assisted the Safety Officer to maintain and repair shipboard safety and firefighting equipment
- Participated in major deck repairs and installations during dry dock and repositioning cruises
- Assisted the Chief Officer by selecting and leading a team of other crewmembers to carry out quarterly ship's condition reports and rigging inspections
- Elected as the Crew Spokesman to convey crew proposals and requests to the Captain and represent the crew during monthly ISM meetings

### General Duties:

- Cleaned, de-rusted, primed and painted the ship's hull, decks, superstructure, tanks and holds
- Sanded and varnished wooden panels, chairs, frames and tables
- Operated mooring winches and handled tug and ship's lines during mooring operations
- Operated and maintained the ship's tenders, lifeboats and Zodiacs used for transporting passengers
- Worked with entire deck team for sail operations, deck washings, and the loading, storing, and discharging of new provisions and ship equipment
- Stood bridge watch and gangway watch as required

**Freelance Day Work**    **May 2017 – Sept. 2017**    **Private Yachts**    **40-60m**

- Developed foundational knowledge for ship maintenance and repair work
- Gained experience quickly integrating with a new team to complete projects well and on time

## **Education**

**B.Sc. (Honors) Navigation & Maritime Science    University of Plymouth    Class of 2020**

- Graduated with 1<sup>st</sup> Class Honors
- Trained in navigation, ship maintenance, and marine engineering to an OOW standard
- Elected as a Course Representative to attend interdepartmental and University meetings on behalf of the course

## **Notable Skills**

- Rope and wire splicing
  - Competent helmsman and coxswain
  - Wood, steel and aluminum maintenance
  - Working aloft or over ship's side in boatswain's chair
  - Learning and implementing new skills quickly and effectively
  - Working as part of a team and contributing to an enjoyable and productive work environment
-
