

RESEARCH VESSEL OPERATORS COMMITTEE

WITH THANKS TO:

RVOC OFFICERS AND REPRESENTATIVES

Tim Askew, HBOI (Chair)

taskew@hboi.edu

Matt Hawkins , UDel (Vice-Chair)

hawkins@udel.edu

Tom Althouse, SIO (Safety Committee Chair)

talthouse@ucsd.edu

Daniel Schwartz,

UW (RVOC Security Sub-Committee Chair)

And AICC Liaison

schwartz@ocean.washington.edu

Operators encountered high fuel costs during
CY-2005 operations which, coupled with reduced
Federal budgets for next year, will create a
challenging environment for accommodating
the science cruises wanting to get to sea.
CY-2007 may be even more difficult.

2006 RVOC Meeting - April 25-27, 2006 to be held
at the University of Washington, Seattle

WATERTOWN
A UNIQUE URBAN HOTEL
