

Action Items	Status
Send words to Mike for Liz Tirpak about informing BASC when foreign icebreakers are working off Barrow	Margo
Use '05 debriefs as basis for letter of "constructive criticism" to NIC for ice service support (with copies to CGHQ, NSF, ARC)	Margo
Develop science needs and long-range plans for ice data on HEALY	Peter/Dale
Review Dale's new lab layouts and send official AICC recommendation to Simon	TBD this meeting
Get EOS article about native concerns finished and published	Carin and Bernie w/ Renee's help
For multibeam upgrade - review other icebreakers and the performance of their multibeam systems	Margo/Bernie/Dale Martin Jakobsson
Plan a future meeting with ARVOC	Try again.
Make sure HLY0601 has two hours of internet connectivity as requested (can we leverage Cyberinfrastructure Office support?)	Dale/Healy Simon to fund
AICC to recommend with IPY outreach efforts that HEALY connectivity be increased	Margo
AICC to recommend more stringent medical checkups prior to high Arctic trips	Margo
AICC to recommend having doctor on board for high Arctic trips	Margo
Establish priorities for "2006" system upgrades	This meeting

Questions:

Can NSF post AWI website (about icebreakers) to ArcInfo?
