

# JASON OPERATIONS

January 1-10  
Rachel Haymon  
(Joe Resing)

Hydrothermal Systems  
Response to Magma Supply  
and Crustal Thickness  
Gradients along the  
Galapagos Spreading Center

April 18-May 13  
John McDonough  
Ocean Exploration

July 21-September 1  
Wolfgang Bach  
Maurice Tivey

Hydrothermal Systems in the  
Eastern Manus basin; Fluid  
Chemistry and Magnetic  
Structure as Guides to  
Subseafloor Processes

September 5 to October 2  
Chuck Fisher, Collen Cavanaugh

Evaluations and background  
Studies of Interactions Among  
Fluid Chemistry, Physiology,  
and Community Ecology for  
RIDGE 2000 Lau Basin  
Studies
