

Safety Committee Meeting

April 23, 2007

RVSS Review Status

- Complete re-organization of chapter to better distinguish between what is required by regulations and what is being required by the Safety Standards.
- 80 - 90% done, final editing and reference checking.
- Eliminated Chapter Ten - Explosives (will add words to Chapter nine)
- Add new Chapter 18 on Personal Safety.

Chapter 18 - Personal Safety

- Sexual Harassment
- Alcohol and Drug policies
- ADA guidelines
- General Science Party Safety guidelines from Chapter One of the Safety Training Manual

Other Significant Items

- Resolve Weight Handling Design Standards - getting help from Glosten
- Clarify Manning requirements and make RVSS requirements clear and consistent.
- Van Checklist and Sexual Harassment brochure updated/added as appendices.

Other items

- Safety Training Manual - Update, eliminate or use some or all for reference material (post on the web).
- Chapter One of Safety Training Manual - incorporate in Chapter 18 of RVSS and make a simpler, shorter brochure.
- Wire testing and safe working load
- Stability review status - covered later
