

Proposed pCO₂ System (T. Takahashi)

- First letter from Takahashi in June 2007
 - How to initiate proposal?
- AICC Chair Responded in July 2007 with Questions and Information
- Response from Takahashi in October 2007
- Inquiry in November regarding status and re-iterating desire for AICC “blessing”

AICC Questions

- Manpower (how much, who, who will pay) to maintain
- Location
- Volume of SW needed
- Resolution of potential conflicts between funded science on a particular cruise and needs of this instrument
- Availability of data for funded cruises on Healy
- Public availability of data including time frame (real time?)
