

# ONR Update

RVOC Meeting

April 2009

Tim Schnoor

# 2009 Budget

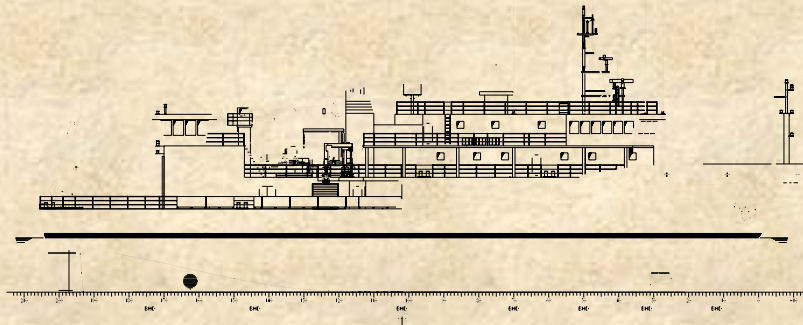

- 717 Days of Navy Research Funded
  - 366 Days on Global AGORs
- 64 Days on FLIP
- ALVIN Survey/CIRPAS/INSURV inspections
- Exceeded FY09 Budget by 60%
  - Ameliorated somewhat by:
    - 2008 Carryover
    - Internal reprogramming
    - Creative financing
- Minimizes opportunities to fund maintenance & upgrades

# 2010 Budget

- 497 Days of Science Funded on Global Ships
- 250-300 Additional Days on other UNOLS vessels
- ALVIN—FLIP—CIRPAS---INSURV
- Funding requirements could exceed 2010 budget by 100%
- Reviewing/Verifying cruise requirements now

# Ocean Class AGOR

- ONR Research Facilities Team augmentation
  - Temporary, part-time hire (IPA)
  - Request is under review by CNR
  - Start Date 1 July
- Represent CNR throughout OC program
  - Coordinate UNOLS interests in OC program

# Ocean Class AGOR Operator Selection Process

- Sequencing with NAVSEA RFP
- ONR Solicitation in preparation now
- Goal will be to have operators identified around 1 October
