

WHOI NDSF Archive Policy

Proposed change:

- Archive the *originals of highest resolution* video recorded and distribute first generation copies, with the cost being covered by the science party.

WHOI NDSF Archive Policy

Confirmation – no changes

Access to and use of Archived Data:

- Through Chief Scientist during proprietary period, then publicly available for science, education and public outreach.
- Commercial rights vested in WHOI's NDSF Archive to support archiving.
