

# PCAR (post cruise assessment)

Bob Collier, Mary-Lynn Dickson, Joe Malbrough, Mary Jane Perry

- Following the 2007 PCA report, the committee resolved to continue PCA reviews.
- The committee has been relatively inactive this past year, with only a limited number reviews completed this winter.
- Now that the office move is complete, J. Alberts will telecon with the committee to help resolve any outstanding recommendations for changes to the PCA process:
- Activities for the upcoming year:
  - Discuss the goals for reviewing PCAs for UNOLS council.
  - Confirm the value and application by the agencies and operators.
  - Transition to new online form (draft previously submitted by Mike)
  - Work to establish forms for Captain, MarTech, and Scientist.
  - With help from Office, revisit statistics and get back on a review schedule.

MJ Perry has rotated off and we need new volunteers to help.
