Safety Committee Meeting Report

1. New RVOC Safety Training Video
 - Yes – we'll talk with UNOLS Office to take lead
 - Collect vessel safety briefs for various ship class safety video
2. Personal Locator Beacons
 - Improving technology, but not ready for broad requirement
 - If you use them, should have a policy
3. Medical Screening
 - On agenda to discuss under the Medical Session
 - High admin burden, problem real or perceived?
4. Appendix A
 - Compliance date of 12 June 2011
 - Rev 1 out soon, good summary in April 2011 UNOLS news
 - Rev 2 out later, expanding minimum diameter rqmts to rollers
 - Feedback on Wednesday
5. Appendix B
 - Draft posted on UNOLS site in January
 - Feedback?
 - Discussion on Wednesday
6. University of Delaware experience with application of Appendix B
