# Unlawful Harassment Prevention

- Federal and State Laws
- Application- apply to all employees in all industries
- Definition of what is Sexual Harassment
- Scenarios and questions presented in online forms
- Practical Harassment Prevention Strategies
- Organizations legal responsibilities

- To Do-
- Poll Marine Superintendents for interest- On-going, good interest so far.
- Discuss with our Funding agencies funding options
- Write the one-page UNOLS lead-in slide
- Set up a Learning Management System- They recommend one account set up under UNOLS name to allow us to track who takes the course, keep the cost down, and eliminate extra client contracts. This would put the financial burden on the UNOLS Office. Approximately \$15.00 per person
