

Research Vessel Safety Orientation Film

Update on development to procure a new up to date safety orientation film for UNOLS Fleet

Council Meeting Update- March 7, 2013

Research Vessel Orientation Film-

- Funding Supplement submitted to federal agencies- awaiting funds
- Chosen a film company to write, produce, film and distribute copies to each UNOLS operator institution through UNOLS Office
- Input from UNOLS RVOC, Safety, RVTEC committees.
- Professionally Produced with approx. budget request \$ 30 K
- Filmed scenarios from UNOLS ship (s)
- Keep film to 20-30 to be shown at Orientation/Fire & Boat Drills
