

~UNOLS ~ UNOLS Goals and Priorities

**Goal: To nurture the next generation
of seagoing oceanographic scientists**

UNOLS Early Career Activities

Chief Scientist Training Cruises:

- 2011 through 2013:
 - Pilot Program lead by Clare Reimers.
 - Four cruises:
 - *2011 - Wecoma (2),*
 - *2012 - New Horizon*
 - *2013 – Endeavor*
 - *57 Total participants over 3 years*

UNOLS Early Career Activities

Chief Scientist Training Cruises: Tracking the Participants:

- 38 STRS Projects submitted as PI, 3 Projects funded:
 - Santoro (3), **McDonnell** (3), **Hansel** (2), McClain (8), Bailey (3), McKay (2), Null (1), Buck (6), Drushka (2), Vlahos (3), Brooks (1), Hardy (2), Szuts (4)
- 21 STRS Projects submitted as co-PI, 2 Projects funded:
 - Santoro (6), **Hintz** (1), Hansel (1), McClain (2), **Null** (1), Buck (1), Vlahos (2), Hardy (1), Thornton (2), Bench (1), Thrash (1), Bush (1), Osborn (1), Mills (1)

UNOLS Early Career Activities

Chief Scientist Training Cruises: 2014

- *Atlantic Explorer*.
 - Maureen Conte as PI
 - June Transit Cruise
- *Blue Heron* – July 30 – 6 August
- *Point Sur*. -
 - September 29 thru October 18.
 - Three cruises: 2 days in Moss Landing and 3 to 4 days at sea

UNOLS Early Career Activities

Early Career Workshops:

- DeSSC:
 - 2011 to 2013, December AGU in San Francisco
 - Dec 13-14, 2014 New-Users Program
- MLSOC – 2013 & 2014, December AGU in San Francisco
- FIC – 2014 Council March Meeting – Early Career Scientist Program
- 2014 Ocean Sciences – Jon Alberts, Annette DeSilva, FIC Chair, and UNOLS Chair-Elect, Rose Dufour participated in NSF's early career workshop.
