

Introduction of the NDSF Post-cruise Assessment Report Form

The post-cruise assessment form has been adopted to gain more feedback on the efficacy of the NDSF vehicles

- Provides easier identification of trends
- This is intended to complement the current debriefs, NOT to supplant that process

Introduction of the NDSF Post-cruise Assessment Report Form

The post-cruise assessment form has been adopted to gain more feedback on the efficacy of the NDSF vehicles

- Provides easier identification of trends
- This is intended to complement the current debriefs, NOT to supplant that process

During the cruise:

- PRIOR TO DISEMBARKING THE VESSEL, the Chief Sci. and all PIs fill out the online PCAR

Post-cruise:

- 2 weeks after cruise, Chief Sci will start receiving phone calls from UNOLS office to set up post-cruise telephone debrief.
- The Chief Scientist is expected to participate; all PIs who were on ship welcome to attend

Synthesis

- PCAR scores/comments held by UNOLS, reviewed by DeSSC & NDSF, and used by NSF and federal agencies to assess the efficacy of vehicle ops.
- Your verbal comments and any written comments will be anonymized and presented at the fall DeSSC meeting.
- Your specific comments are kept anonymous unless we have your permission to share them.
