

New Vessel Debrief Process

- FIC Chair provides the ship operator with the debrief questions.
- Marine Superintendent provides the Chief Scientist with the debrief questions prior to the cruise
- A member of FIC contact the Chief Scientist to schedule the phone debrief (within month of cruise end) to collect response.
- FIC member will summarize at FIC Meeting
- Follow-up will be summarized and reported back to the marine superintendents and scientists interviewed.
- This effort will help inform fleet upgrades and future new acquisitions-i.e., document lessons learned.
- See debrief assignment spreadsheet ...
