2016 % PCAR Return: Captain, Chief Scientist, and Marine Technician by Ship (Q1 - Q3)

Fleetwide Percent Return for Post Cruise Assessments

2006-2016 (2016 Q1 – Q3 Only)

UNOLS PCAR Successes

- ✓ 8 Ships have increased response rates since last year
- ✓ Online Form in STRS has helped with recordkeeping and convenience
- ✓ In August 2016 we instituted an auto reminder system that sends an e-mail out to each Chief Scientist. September 2016 and response rate has increased 7.76%

UNOLS PCAR Program: Path Forward

- Ben Van Mooy/ Chair would like to bring some fresh new ideas
- (3) Separate forms for Captains, Techs, and Chief Scientist
- UNOLS Office will work with each Operator to see how they tell PIs about PCARs
- UNOLS Office will also work with Operators to gather feedback from Captains and Techs about the PCAR Process
