- Jan Newton, NANOOS
- Deb Kelley, SOC/UW
- Jack Barth, SOC/OSU
- Mike Vardaro, CI/Rutgers)

**Goal:** To enhance the access and success of ocean observatory systems in advancing our knowledge and understanding of marine systems

### Feedback Session

# 2016 OOI Workshops

## OOI Community Workshop: Cabled, Endurance, and Station Papa

- A special moment of the workshop was a presentation by John Delaney, UW. John's vision of how ocean observations could revolutionize the field of oceanography played a large role in sparking the creation of the OOI program.
- UNOLS recognized John's efforts and dedication to the community by presenting him with a plaque of appreciation.
