[Note - if the WebEx log-in URL does not open when you click-on the link, please try pasting it into your browser.]

Important information for remote participants:

- Log into the workshop about 15 minutes before the event. The meeting will begin each day at 9:00 am PDT.
- After clicking on the meeting invitation link sent by email, Participants can join the WebEx Session in two ways:
 - # 1: Through their computer (webinar portion) equipped with speakers or a headset (to hear audio).
 - #2: Through their computer (webinar portion) AND phone – call in to the number on the screen or in your meeting invitation email (to hear audio).
- **VERY IMPORTANT:** Please **MUTE** yourself as soon as you join the meeting to prevent background noise.
- Q&A - Participants may send questions to the meeting host and panelists about the discussions/content of the workshop using the Q&A panel. Click the “Q&A?” icon to open the Q&A panel. Select “All Panelists” in the dropdown for who to send your question to, type your question into the dialog box, and hit Enter (Mac) or the “Send” button (PC). As a reminder, this presentation is being recorded.
- Chat - If you are having trouble hearing the speaker, seeing the presentation or experiencing other technical issues, please send a chat message (different panel than Q&A) to the All “Panelists”.
- If you experience problems with Webex, please feel free to contact office@unols.org

The workshop agenda is available at:
