

UNOLS Goals

Past goals

2015/2016

- To establish an ad hoc committee on Privacy, Pregnancy and Harassment. This committee will be charged with researching current policies and practices aboard UNOLS ships regarding protected personal information medical history forms, participation at sea for pregnant and provisions for nursing women, and other issues as identified. The committee will also work to make existing policies more transparent for all.

UNOLS Goals

Past goals (other selected examples)

- Partner with industry leaders in advocating for increasing (maintaining) Federal support of oceanographic research
- Nurture the next generation of seagoing oceanographic scientists
- Establishment of a UNOLS Speaker Series
- Promoting a green U.S. research fleet as we move forward in developing the academic fleet

UNOLS Goals

Ideas for future goals?

- Continue to develop ways of promoting positive & safe working environment at sea (harassment)
- Improving quality of life and morale at sea (food, exercise, fun)?
- Develop effective way to give broader community access to more complex equipment in the UNOLS pool?
- Something related to UNOLS office re-compete?
