

Video Project Update: Promoting a Positive Work Environment aboard the Academic Research Fleet

- Module 1 has been released and distributed:
 - NOAA funded a video titled *“Shipboard Civility: Fostering a Respectful Work Environment”*
 - Required viewing for ships in NOAA, the U.S. Academic Research Fleet, and USAP.
 - A similar video will be shown on UK vessels
 - The video is publicly available (link available on the MERAS web page)

Video Project Update: Promoting a Positive Work Environment aboard the Academic Research Fleet

- A second video, module 2, is in development.
 - The video applies to ARF and USAP ships.
 - Module 2 will be a complementary to module 1, with little overlap.
 - Covers three areas with 4 animated scenarios:
 - Discrimination
 - Bullying
 - Harassment (stalking and sexual harassment)
