

# RCRV Update

Doug Russell

UNOLS Council

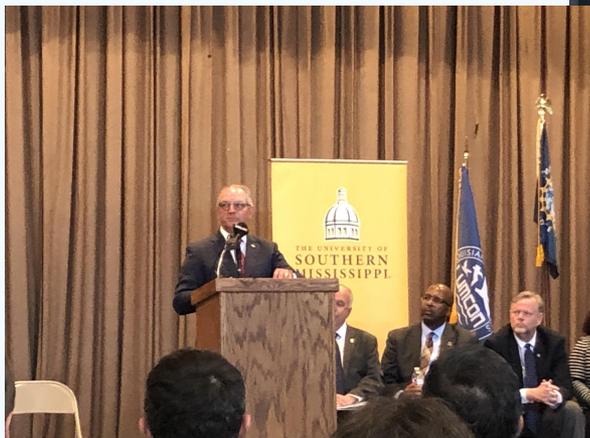

11-12 March 2020

# Major Event

R/V *Gilbert R. Mason* keel laying was held last week in Houma

- LA Governor John Bel Edwards attended & was one of the speakers
- Ship's sponsor: Ms. Aria Mason – Dr. Mason's grand daughter delivered an inspirational speech

# Contract Issue Resolved

## Contract Changes

- Work had been stopped by GIS when OSU issued a Letter of Direction in November due to continued problems in completing the 3D modeling which directly impacted completing the detail design.
- OSU responded to GIS protest that had been submitted 3 Jan
- Parties reached resolution on 3 March
- Glosten is now tasked to complete the modeling & detail design
- Delivery of R/V *Taani* delayed 9 months, R/Vs *Resolution* and *Gilbert R. Mason* will be delivered in 6 month intervals after – May 2021, Nov 2021, May 2022
- Production work to start back up on low risk areas in controlled fashion while the 3D model and detail design work is completed
- Major sub-contractors are on track for delivering key systems &
