

UNOLS Office Review

- The UNOLS charter specifies:
 - *The UNOLS Chair, with the UNOLS Council, shall review UNOLS Office performance and activities prior to the completion of the first five-year term (or at intervals controlled by the duration of funding grants or agreements). Based on this review, the Council shall recommend whether or not to renew the host institution for a second term. The Office may, if so suggested by review, be moved after five years. The Office should not remain at a single institution for more than ten years, except under extraordinary circumstances.*
- The UNOLS Office's first term ends 30 April 2024
- A review of the Office performance will be needed in 2023 to inform the decision about a 2nd Five-year term that would start 1 May 2024
- Previously:
 - An ad-hoc committee of 3 Council members was appointed by the UNOLS Chair
 - A survey was set up for feedback from the Council members, including Committee Chairs
 - Survey results were compiled by the ad hoc committee
 - A letter to NSF was developed by the ad hoc committee and signed by the UNOLS Chair that included the survey results and a recommendation regarding the 2nd term
- Recommend this be completed first half of CY 2023
