

# DESSC NEW USERS PROGRAM

## NATIONAL GEOGRAPHIC

*December 8-9, 2018, Washington DC*

# DESSC NEW USERS WORKSHOP

Saturday, December 8, 2018:

National Geographic, 1145 17th St. NW, Washington DC 20036

11:45-12:00	Check-In & Pizza buffet
12:00-12:20	Welcome & Agenda; Introductions
12:20-12:35	Overview of Deep Sea Research
12:35-12:45	Introduction to Data Management & Data Resources
12:45-1:25	Introduction to Facility Operators and Vehicle Capabilities
1:25-2:35	Meet Your Sponsors
2:35-2:45	Introduction to Breakout Sessions
2:55-4:30	Breakout Sessions
4:30-5:00	Open Discussion
5:00	Adjourn and Tour National Geographic Exhibits
6:30	<b>Reception and Dinner</b>
	Guest Speaker: Dr. Mary Voytek, NASA Astrobiology Senior Scientist

# DESSC NEW USERS WORKSHOP

Sunday, December 9, 2018:

## UNOLS Deep Submergence Science Committee (DeSSC) Annual Showcase Meeting

Washington Marriot at Metro Center  
775 12 Street NW, Washington, DC 2005

Agenda: <https://www.unols.org/sites/default/files/201812desag.pdf>

9:50-10:10am New User & Early Career Presentations

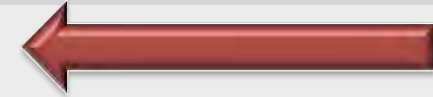

1:30-1:50pm New User & Early Career Presentations

# DESSC NEW USERS WORKSHOP

Saturday, December 8, 2018:

National Geographic, 1145 17th St. NW, Washington DC 20036

11:45-12:00	Check-In & Pizza buffet
12:00-12:20	Welcome & Agenda; Introductions
12:20-12:35	Overview of Deep Sea Research
12:35-12:45	Introduction to Data Management & Data Resources
12:45-1:25	Introduction to Facility Operators and Vehicle Capabilities
1:25-2:35	Meet Your Sponsors
2:35-2:45	Introduction to Breakout Sessions
2:55-4:30	Breakout Sessions
4:30-5:00	Open Discussion
5:00	Adjourn and Tour National Geographic Exhibits
6:30	<b>Reception and Dinner</b>
	Guest Speaker: Dr. Mary Voytek, NASA Astrobiology Senior Scientist

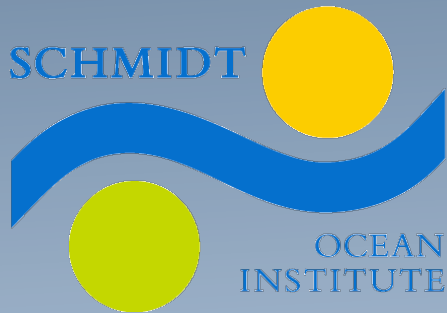

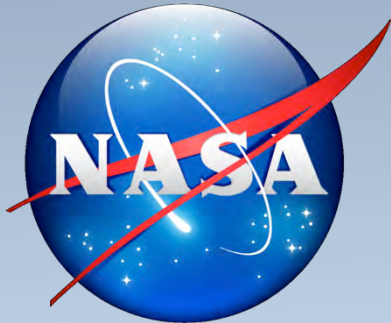

# NEW USER INTRODUCTIONS

# WHO'S WHO IN DEEP SEA RESEARCH

OCEAN  
EXPLORATION  
TRUST

# WHO'S WHO IN DEEP SEA RESEARCH

## UNOLS

Jon Alberts, Exec.  
Secretary

Annette DeSilva, Dep.  
Exec. Secretary

- Institutional Consortium of 59 Academic Institutions
- Coordinates oceanographic research facilities
- NDSF and DeSSC coordination
- Ship Time Request
- Outreach

## DeSSC

Anna-Louise Reysenbach,  
Chair

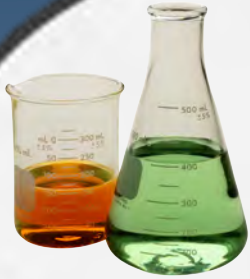

- Standing Committee of UNOLS
- Advisory Committee for NDSF

## NDSF

Adam Soule, Chief Scientist

- Federally funded facility operator
- Hosted at Woods Hole Oceanographic Institution
- Operates, maintains & coordinates Alvin, Jason/  
Medea, Sentry

*So, you've got  
an idea and  
you want to  
go to sea?*

# DESSC NEW USERS WORKSHOP

Saturday, December 8, 2018:

National Geographic, 1145 17th St. NW, Washington DC 20036

11:45-12:00	Check-In & Pizza buffet
12:00-12:20	Welcome & Agenda; Introductions
12:20-12:35	Overview of Deep Sea Research
12:35-12:45	Introduction to Data Management & Data Resources
12:45-1:25	Introduction to Facility Operators and Vehicle Capabilities
1:25-2:35	Meet Your Sponsors
2:35-2:45	Introduction to Breakout Sessions
2:55-4:30	Breakout Sessions
4:30-5:00	Open Discussion
5:00	Adjourn and Tour National Geographic Exhibits

## **Reception and Dinner**

6:30 Guest Speaker: Dr. Mary Voytek, NASA Astrobiology Senior Scientist

# DESSC NEW USERS WORKSHOP

## Breakout Sessions

### ***Vehicle Operations, Access to Vehicles, & Technology***

**Pete Girguis & Brian Glazer**

**Facility Operators: Adam Soule (NDSF), Bob Ballard (OET), Errol Campbell (SOI)**

*This session will offer an opportunity for participants to learn more about the facilities, tools, and instruments that are available for deep submergence research.*

### ***Interacting with Deep Sea Enthusiasts & Agency Reps***

**Anna-Louise Reysenbach, Vicki Ferrini, & Karyn Rogers**

*This session provides an opportunity for participants to have small group and one-on-one conversations with deep sea enthusiasts (senior scientists/engineers) and agency representatives in the deep-sea research community.*
