Polar Icebreaker Support

USCGC HEALY

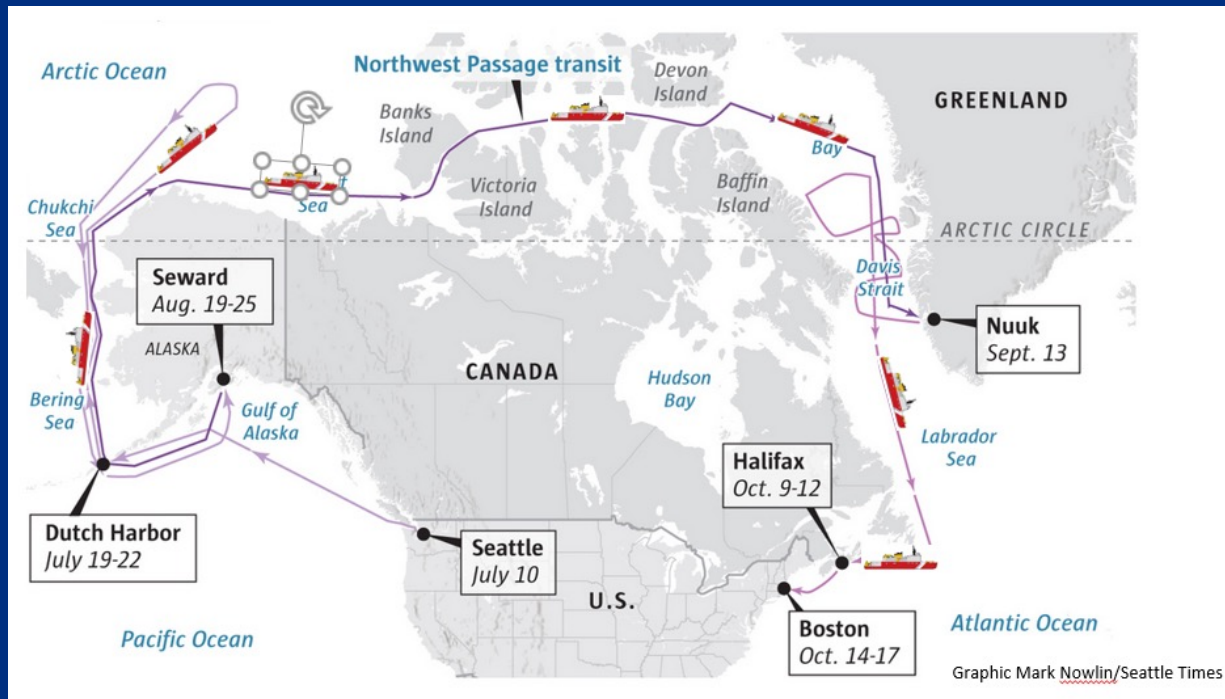

Homeland
Security

Review of 2021

- ATO full compliance: completed but still subject to audit
- VSAT bandwidth increase achieved
- VSAT coverage in Northwest Passage: better than expected
- First year with Iridium Certus in service

Work in progress

- VSAT antenna replacement: prototype system for Healy and Polar Star – SeaTel or Intellian
- Wifi infrastructure
- Servers: Windows Server 2019
- Printers: Xerox VersaLink C405 MFD
