

Arctic Icebreaker Coordinating Committee (AICC)**Agenda for Meeting
Chinook Room
USCG Integrated Support Center
Pier 36 ñ 1519 Alaskan Way
Seattle, Wa****November 13 & 14, 2003 (Thursday & Friday)****SCHEDULE FOR MEETING**

Day 1: 0830-1700

- o 0950-1010 morning break
- o 1200-1300 lunch
- o 1430-1450 afternoon break
- o evening - Dinner at RADM Garrett's home

Day 2: 0830-1230

- o 0950-1010 morning break
- o 1230 Adjourn if possible

AGENDA ITEMS**1. General business & reports.**

- * Review and approve minutes of last meeting:
<http://www.mlml.calstate.edu/unols/aicc/aicmt302/aicmt302.html>
- * Chair report.
 - a. AICC Action items
- * UNOLS reports (Mike Prince)
 - a. FIC Report (Mike Prince)
 - b. DESSC Report (Hedy Edmonds)
 - c. RVOC Report (Dan Schwartz)
 - d. RVTEC Report (Dale Chayes)
- * Agency Reports
 - a. NSF/OPP (Simon Stephenson)
 - b. NOAA (Kathy Crane)
 - c. ONR (TBD)
 - d. Others
- * ARVOC - Palmer Replacement Update
- * ARC report (Garry Brass)
- * Coast Guard Icebreaker Operations (Headquarters) report

- * Coast Guard Pacific Area report(s)

2. 2003 Science Operations:

HEALY: [Arctic East - West Summer 2003 \(AEWS '03\)](#)

- * [Canadian Archipelago Throughflow Study \(CATS\)](#)
- * [Northwind Ridge, Chukchi Plateau and the Canada Basin bottom mapping](#)
- * [Western Arctic Shelf Basin Interactions \(SBI\) project](#)
- * [Western Arctic Shelf Basin Interactions \(SBI\) project- Page at UW/APL](#)

2003 Whaling Impacts: Rebecca Woodgate

Update on 2003 U/W data collection: Dale Chayes

Scheduling of Post Cruise Debriefs: Lisa Clough

3. Scheduling and planning for 2004 & Beyond.

- * Overview of Antarctic Ice conditions (Larry Lawver)
- * Scheduling Update
 - HEALY
 - POLAR SEA
 - POLAR STAR
- * 2004 & 2005 Plans and Availability
- * 2005 Beringia Expedition
- * [ARCUS](#) Overview: Wendy Warnick
- * Expeditionary Planning
- * Combining Arctic and Antarctic oversight more effectively

4. Other Icebreakers/Foreign Clearances

- * GLACIER restoration update
- * CCG/RV AMUNDSEN (ex FRANKLIN)
- * Overview of Foreign Icebreakers: Peter Minnett
- * Any clearance issues?

5. Science Modifications, Infrastructure and Equipment

HEALY

- * Planning for the 2004 dry-docking
 - Seawater systems (LCDR Neil Meister)
 - Towing Bitt
 - Other items
- * High latitude communications
- * Multi-beam system status & survey of sensors
- * GPS aided inertial navigation system
- * Other requirements and plans
 - additional current equipment status
 - berthing issues
 - radiation policy

POLARS

- * SLEB science workshop
- * Status of SLEB evaluation and mid-life planning
- * What next?

EQUIPMENT PURCHASES

- * Replacement of lost equipment procedures
- * SBI equipment requests (list from 2003)
- * Update on equipment needs for 2004
- * Longer range plans

6. Science operations and technical support

- * Status of :
 - 2004 Arctic icebreaker technical support requirements.
 - Science Data Network - 2003 report and 2004 plans (ATG report)
 - Web site/cruise planning manual assistance
 - Science planning documentation (HEALY & POLAR Cruise Planning Guides)
- * Continuous collection of underway data
 - 2004 plans
 - Long range solutions
- * **Previous issues (update as needed)**

- Helicopter operations concurrent with other science operations

7. AICC business and other issues

- * Alaska Region Research Vessel (Dirk Kristensen)
 - * AICC membership
 - Departing members
 - New members
 - Future needs
 - Next Chair?
 - * AICC Communications ([web page](#), email lists, etc.)
 - * Future Meetings - dates, venue, agenda
 - Spring 2004 meeting (March in DC?)
 - [ASLO Oceanography meeting Feb 2004, Honolulu, HI](#)
 - [2004 Ocean Sciences Meeting: 26-30 January, Portland, Oregon](#)
 - * Outreach Plans and Objectives
 - * Anything else???
-
