Identification of 2002 (& 2003) Arctic icebreaker technical support requirements.

* SeaBeam

* ADCP

* Terrascan

* Continuous Underway Data Collection

Process for future technical support proposals

Status of science planning documentation (HEALY & POLAR Cruise Planning Guides)

Status of training videos (View Coring Video)

Helo Operations concurrent with other science operations

Science Diving Protocol

8. AICC business and Other issues

Long range plans for POLAR class replacement

International Icebreaker Meeting at Ocean Sciences - Feb. 2002

Alaska Regional Research Vessel

AICC membership (New Members and list of future volunteers)

Future roles for AICC - Report of AICC Recommendations
AICC Communications (email lists, etc.)
Future Meetings - dates, venue, agenda

Logistics and Accommodations

[\(Back to Agenda\)](#)

For your convenience we have booked a block of rooms at the nearby University Inn Hotel at 4140 Roosevelt Way NE, Seattle WA 98105. Phone number (800) 733-3855. Please be sure to mention the group code "AICC" to get the special room rate of \$99.00. (Cut off date was 12/24, but you can probably still get rooms)

Click here to see details and directions to the hotel: <http://www.universityinnseattle.com/>

AICC members should check the UNOLS office Travel Guidelines at:

http://archive.unols.org/committees/travel/Travel_Guidelines.html

The SJSUF contract travel agent is Uchida Travel in San Jose. They can help you make travel arrangements and can bill our account directly for authorized UNOLS travel. Please tell them that you are traveling for UNOLS with the name and dates of the meeting. If there is any question they will contact us. The contact information for Uchida is:
