

ANNOUNCEMENT

ICES Annual Science Conference 2011

Monday 19 September and close on Friday 23 September 2011.

Venue: Gdańsk Music and Congress Centre, Gdańsk, Poland

The ICES Annual Science Conference 2011 hopes to attract outstanding papers from world-renowned researchers, for presentation in the 19 theme sessions.

The ASC is a forum for new marine science where some of today's most challenging scientific issues are being addressed, issues that urgently require solutions for better management of the seas.
