

Specs & Layout - Polar Star

Vessel Data & Contact Information for the Polar Star

Country: USA

NODC Code: 32PZ

Call Sign: WAGB-10

Owner: US Coast Guard

Operator: USCGC POLAR STAR (WAGB 10)

Contact: Commanding Officer

Address: 1519 Alaskan Way South, Seattle, Washington 98134

Telephone: 206-217-6260

Fax: 206-217-6268

Year Built: 1976

Main Dimensions

Length OA: 122m

Breadth: 25.5m

Max. draft: 10.2m

Main Vessel Activity

Main Activity: Oceanography, Sea-ice physics, Geology supports several research expeditions to the Arctic regions

Operating Area: Polar Regions

Range, Speed, and Endurance

Range: 32538 nautical miles

Accommodation

Officers: 15

Other Crew: 126

Scientists: 35

Engineering Design Particulars

Ice Breaking Ability: max. 21ft (6.4m)
