SHIPPING EXPERIENCE

- **United States Coast Guard Third Mate Unlimited Tonnage License | Present**
- **Scripps Institute of Oceanography R/V Sally Ride Third Mate | September 2022 - December 2022**
 - Standard Third Mate duties, which include standing eight hours of watch, becoming proficient in Dynamic Positioning ship driving, conducting safety and emergency equipment inspections and maintenance reports, and helping the deck team with day-to-day operations such as crane and science operations, anchoring, docking, and undocking.
- **Lindblad Expeditions National Geographic Quest & Venture Third Mate | February 2022 - June 2022**
 - Standard Third Mate duties, which include standing eight hours of watch, conducting inspections and maintenance reports, and helping the deck team with day-to-day operations such as Zodiac driving, crane operations, anchoring, docking, and undocking. I also worked diligently to train other Third Mates on the M/V Quest and Venture, giving me a unique perspective on both the learning and teaching side of being a Third Mate, and enhancing my collaborative and leadership skills as a ship officer.
- **United States Merchant Marine Academy Cadet Experience | July 2017 - October 2018**
 - In order to graduate from the United States Merchant Marine Academy with a Third Mate's Coast Guard License, completed 365 days of sailing on various vessels under the title of Cadet. Responsibilities included standing bridge/cargo watch, administrative Deck Department work such as taking minutes during weekly safety meetings, and various other deckhand duties such as shipboard maintenance and repair.
 - Additional obligations included completion of extensive "Sea Projects" encompassing all aspects of both curriculum and at-sea experiences on the USCG Healy during September/October 2018. While on board I obtained qualifications for Helm/Lookout, QMOW, and the deck qualification of Rigger.
 - Collateral duties included on board work with the science and operations teams:
 - *Maersk Sentosa, July 2018 - August 2018*
 - *M/V Green Cove, March 2018 - June 2018*
 - *USNS 1st Lt. Jack Lummus, July 2017 - November 2017*

GENERAL WORK EXPERIENCE

- **Service Sisters | April 2020- Present**
 - A trademarked business I started to make and send care packages to women serving in the uniformed and military services. Since its inception, I have sent over 1,000 care packages to women serving America's military, emergency services, merchant marines, NOAA Corps, and Public Health Corps. In addition to care packages, I also collect and provide mental health resources to women in need while serving, and give talks about the importance of good mental health in the military.

TAYLOR C. CRISCI

➤ **Pacific Clinics Peer Partner | June 2021 - December 2021**

- Under direct supervision, the Peer Partner provides peer-to-peer support and counseling drawing on shared experiences as a peer to validate the consumer's experience. Provided guidance and encouragement to consumers to take responsibility and actively participate in their own recovery. This position modeled competency in recovery and mentored consumers in an outpatient, field-based or wellness center setting.

➤ **Visiting Angels Caregiver | October 2020- April 2021**

- The nation's leading and most respected network of essential personal home care services. Provided home care and supportive services including assistance with daily living activities, respite care and private duty care.

➤ **Department of State Internship with the Oceans and International Environmental and Scientific Affairs Bureau | June 2019 - August 2019**

- Selected for internship under the Congressional Liaison of the Bureau. Duties included attending weekly congressional hearings, writing Daily Activities Reports for the Principal Secretary of the Bureau, volunteering at State events such as the Space Enterprise Summit, and attending meetings on marine, animal, environmental, and scientific treaties and hearings.

TRAINING & CERTIFICATES
