### List of Workshop Participants

**Andrew D Ashton**, Woods Hole Oceanographic Institution, Geology & Geophysics Dept.

**Christopher Baxter**, University of Rhode Island

**Mark D. Behn**, Woods Hole Oceanographic Institution, Geology & Geophysics Dept.

**Jacqueline Beitel**, University of Rhode Island

**Myriam El Bettah**, University of Rhode Island

**John A. Blum**, Scripps Institution of Oceanography

**Uri ten Brink**, U.S. Geological Survey, Woods Hole Field Center

**Ilya Buynevich**, Woods Hole Oceanographic Institution, Geology & Geophysics Dept.

**Jason Chaytor**, Oregon State University

**Changsheng Chen**, University of Massachusetts, Dartmouth

**John A. Collins**, Woods Hole Oceanographic Institution, Geology & Geophysics Dept.

**Catherine de groot-Hedlin**, Scripps Institution of Oceanography

**Robert S. Detrick**, Woods Hole Oceanographic Institution

**David L. DuBois**, Woods Hole Oceanographic Institution, Geology & Geophysics Dept.

**Robert L. Evans**, Woods Hole Oceanographic Institution, Geology & Geophysics Dept.

**Eric Geist**, U.S. Geological Survey, Menlo Park, California

**Douglas Gemme**, University of Rhode Island

**Jason Goodman**, Woods Hole Oceanographic Institution, Physical Oceanography Dept.

**Patricia M. Gregg**, MIT/WHOI Joint Program in Oceanography

**Porter Hoagland**, Woods Hole Oceanographic Institution, Marine Policy Center

**Benjamin P. Horton**, University of Pennsylvania

**Victor Huerfano**, Puerto Rico Seismic Network

**Di Jin**, Woods Hole Oceanographic Institution, Marine Policy Center

**Ann M Kammerer**, U.S. Nuclear Regulatory Commission

**Barbara H. Keating**, University of Hawaii

**Annabel Kelly**, U.S. Geological Survey, Menlo Park, California

**Meghan Leclerc**, University of Rhode Island

**Homa J. Lee**, U.S. Geological Survey, Menlo Park, California

**Yong Li**, U.S. Nuclear Regulatory Commission

**Jian Lin**, Woods Hole Oceanographic Institution, Geology & Geophysics Dept.

**Philip L.-F. Liu**, Cornell University

**Siamak Malek-Mohammadi**, Clemson University, Civil Engineering Dept.

**Brian G. McAdoo**, Vassar College

**Aurello Mercado**, University of Puerto Rico

**Dave Monahan**, Center for Coastal and Ocean Mapping, University of New Hampshire

**Laurent G.J. Montesi**, Woods Hole Oceanographic Institution, Geology & Geophysics Dept.

**Eugene C. Morgan**, Tufts University

**Andrew J. Murphy**, U.S. Nuclear Regulatory Commission

**Andrew V. Newman**, Georgia Institute of Technology

**Sidao Ni**, University of Science & Technology of China

**Jim O'Connell**, Woods Hole Oceanographic Institution, Sea Grant

**Emile A. Okal**, Northwestern University

**Andrey Proshutinsky**, Woods Hole Oceanographic Institution, Physical Oceanography Dept.

**Rafael W. Rodriguez**, U.S. Geological Survey, Troy, New York

**Emily C. Roland**, MIT/WHOI Joint Program in Oceanography

**David H. Salzberg**, SAIC Ocean Science Division

**Ralph Stephen**, Woods Hole Oceanographic Institution, Geology & Geophysics Dept.

**Elena Suleimani**, Geophysical Institute, University of Alaska, Fairbanks

**Stephen Swift**, Woods Hole Oceanographic Institution, Geology & Geophysics Dept.

**Yuichiro Tanioka**, Hokkaido University, Japan

**Oliver-Denzil S. Taylor**, University of Rhode Island

**Vasily Titov**, NOAA/PMEL, National Center for Tsunami Research

**David C. Twichell**, U.S. Geological Survey, Woods Hole Field Center

**Randall G. Updike**, U.S. Geological Survey, Denver, Colorado

**Jane Van Boskirk**, University of Arkansas

**Paul Whitmore**, West Coast/Alaska Tsunami Warning Center

**Patrick L. Williams**, San Diego State University

**William J. Winters**, U.S. Geological Survey, Woods Hole Field Center

**James R. Woolsey**, National Institute for Undersea Science & Technology (NOAA-OER)

**Min Xu**, MIT/WHOI Joint Program in Oceanography

**Zhuqi Zhang**, Peking University, China

**Jasmine Zhu**, Peking University, China

**Wenlu Zhu**, Woods Hole Oceanographic Institution
