

APPENDIX XI

Ancient Albatross Award

TO ALL MARINE SCIENTISTS wherever they may be: know that the current holder of this award, THE ORDER OF THE ANCIENT ALBATROSS, signifies the oldest and longest operating research vessel in the University-National Oceanographic Laboratory System.

THEREFORE the current holder is entitled to the respect, awe, and privileges due a ship of its advanced age and service, and

WHEREAS this vessel may not last much longer, the attention of all FUNDING AGENCIES, whoever and wherever they may be, is directed to the urgent need to replace this vessel before it falls apart.

THIS AWARD is made annually in the name of the UNOLS Council.
